Installed capacity

**1.5B Capsules**

per annum packed in blister  
and bottle format

The largest facility in  
the region with

**23K sq.m  
Plot Size**

centrally located in Dubai, UAE

**BioVenture Healthcare maintains certifications at the highest international standards for guaranteed quality.**

Site Approvals

Quality Control

## 1. Production Facility

- Compliant to current cGMP requirements and meeting all international standards
- High-speed encapsulation ensuring high quality soft gelatin capsules
- Symetix Automatic Inspection system

## 2a. Blister Primary Packing

- Compatible with all packing materials and complies with 21CFR Part 11
- Equipped with a No-Fill Detection (NFD) system to automatically detect faulty strips

## 2b. Bottle Primary Packing

- Dedicated lines for bottle filling with capping, induction sealing and bulk capsule packing options

## 3. Secondary Packing

- High-capacity autocartonnator compliant with 21 CFR Part 11, with a camera detection system for barcode and over printing details
- Tamper-evident serialization system providing Track and Trace capability for regulatory compliance and better brand protection

## 4. Stability Chambers & Microbiology Lab

- State-of-the-art microbiology lab
- Walk-in stability chambers simulating climatic zones

## 5. Quality Control Lab

- Fully compliant with all cGMP requirements and 21 CFR Part 11
- Capable of performing analytical method transfer, method validation, analysis and release of raw material, and analysis of packaging and finished products of various dosage forms

BioVenture Healthcare is currently constructing a fully integrated Oral Solid Dosage (OSD) section on-site.

Planned capacity

**500M** Tablets & Hard Capsules per annum

BioVenture Healthcare is the trusted partner of international principals, providing local manufacturing for in-demand global brands.

BioVenture Healthcare is part of GlobalOne Healthcare Holding (GHH), a leading investment and business development group focused on health science in the UAE and beyond. GHH companies are committed to delivering fully-integrated pharmaceutical, manufacturing, distribution, health-tech, and hospital management solutions that improve patients' lives.
